Bags, Bellinis & Brunch

An Evolution: From Fundraiser to Celebration

Our Mission: Bringing Comfort to Cancer Patients

The Satchels of Caring Foundation is a non-profit 501(c)3 organization that creates hand-sewn satchels filled with therapeutic items for cancer patients undergoing chemotherapy treatments. The satchels are intended as a way to offer comfort and support to someone during the difficult and uncertain time of negotiating the treatment process for a cancer diagnosis. Since 2003, the foundation has handcrafted and assembled more than 12,800 satchels and delivered them to cancer patients in 19 counties in Western Pennsylvania. We started with only one distributor in Allegheny County and have since grown to 34 distributors. There is no application process and no charge to receive a Satchel on behalf of the recipient. The foundation covers the production cost of each satchel through fundraising and donations.

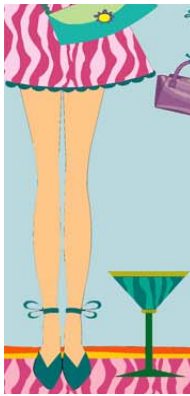

What is Bags, Bellinis & Brunch?

Bags, Bellinis & Brunch is our annual fundraiser where all proceeds go toward creating more satchels for patients. In 2017 this event generated more than \$35,000 for the Satchels of Caring Foundation.

Each year, our attendees enjoy a delicious brunch and signature bellini cocktails while browsing through merchandise available at the Silent Auction, Lucky Number, New to You, and Pick-a-Purse attractions. The Silent Auction includes designer handbags paired with event tickets, hotel stays and golf outings; at Lucky Number, attendees put raffle tickets into the prize drawing of their choice for fun bags paired with jewelry, gift cards, and accessories; at the New-to-You Boutique, ladies shop for new and gently used purses at set prices of \$10 or \$20; and at Pick-a-Purse, attendees spend \$20 per chance to select a paper purse with a corresponding number to an instant-winner prize including jewelry, scarves, accessories, gift cards, spa products and much more.

A Celebration of Volunteers, Donors, and Recipients

As our event has grown in size and participation, it has evolved into a celebration of the many lives that the Satchels of Caring Foundation has touched, a giant thank you to our volunteers and supporters, and a way to honor friends and loved ones who have been touched by cancer.
